

## THE PILLSBURY FAILURE

### RECEIVERS TAKE CHARGE OF BIG MINNEAPOLIS MILLS.

Grinding to be Resumed Tuesday Evening and Business Will Continue Uninterruptedly.

Minneapolis, Minn.—The receivers for the Pillsbury-Washburn Flour Mills company, limited, appointed last Saturday by the federal court, took charge Monday under a \$500,000 bond. Pillsbury "A" mill, one of the properties, made its weekly shutdown on Saturday and the receivers expect to start grinding again as usual Tuesday evening. Henry C. Little, manager for the company, has resigned and the receivers are in full control.

Although the company which has been placed in the hands of receivers is an English corporation, the management of the properties has been vested in a board of Minneapolis men, and the majority of the stock is understood to have been controlled by the Pillsbury interests.

The board of managers was composed of Henry Little, manager; C. E. Amaden, W. D. Washburn, William De La Barre and A. F. Pillsbury. The flour mills were owned by the Pillsbury-Washburn Flour Mills company, a New Jersey corporation, the stock of which belongs to the Minneapolis Mill company. The floating indebtedness of \$5,000,000 is that of the English corporations. The other \$4,000,000 indebtedness is evidenced by debenture bonds secured by mortgages on the physical properties of the New Jersey corporation in the Minneapolis Mill company and the St. Anthony Falls company.

Milwaukee, Wis.—Upon the application of the Second National bank of St. Paul, Northwestern bank, First National bank and the Swedish-American National bank, all of Minneapolis, and John F. Pillsbury, Judge Quarles of the United States district court Monday appointed Albert C. Loring, G. F. Pillsbury and Albert C. Cobb, receivers of all the property located in this district belonging to the Pillsbury-Washburn Flour Mill company of Minneapolis.

### Chicago Conspirators Convicted.

Chicago.—Moses D. Brown, the oldest practicing attorney in Chicago; Austin F. Kelley and Ruth E. McLaughlin, charged with conspiracy to murder Annie M. Nolan, were found guilty by a jury in Judge Windes' court. Kelley and Miss McLaughlin were sentenced to indeterminate terms in the penitentiary, while the aged lawyer who, it was said, had been led by the others, escaped with a fine of \$1,000.

### Reward for Election Crooks.

Jefferson City, Mo.—On authority of Gov. Folk the state of Missouri will pay a reward of \$300 for every conviction of election frauds committed in St. Louis or Kansas City at the state primary this week. While in St. Louis last Sunday the governor intimated that he would offer a reward for such conviction and has fixed the amount at \$300 per man convicted. This is the greatest reward the governor is authorized to offer.

New York.—A new high record of gold production in South Africa was made in July when the output was 590,000 ounces, valued at \$12,500,000, about \$1,250,000 more than in July, 1907. The output of the Transvaal mines in the past six months amounts to \$72,750,000.

## WHAT THE CANVASS COST.

Leland's Campaign Expenses Went \$6,000, Stubbs' \$3,713.

Topeka, Kan.—It cost Cyrus Leland a little more than \$6,000 to be a candidate for Republican nomination of governor at the recent primary.

"It may run \$100 more than \$6,000," said Mr. Leland, "as there are some small bills out yet, but it will not go over \$6,100. I spent \$2,000 each for postage, printing and miscellaneous expenses, which includes traveling expenses and office hire."

The surprise to nearly everybody is the statement from the Stubbs headquarters as to the expense of W. R. Stubbs for his campaign. It was generally admitted that Stubbs had spent more money than anyone, not excepting Senator Long. Through his manager, J. N. Dolley, Mr. Stubbs said Tuesday that he has expended only \$3,713, which is less than that paid out by Mr. Bristow. These items make up the Stubbs list:

Stamps, \$1,783; office rent, \$150; labor, \$500; traveling expenses, \$480; printing and stationery, \$800.

## STRIKERS FIRE ON A TRAIN.

Three Killed and 11 Wounded in Alabama.

Birmingham, Ala.—Three men were instantly killed and 11 injured, two of whom will probably die, when striking miners fired into a passenger train on the Birmingham Mineral railroad at Blocton, Sunday morning about two o'clock.

The train was a special bearing non-union men to the Blocton mines under guard of soldiers and deputies. On the outskirts of the town the engineer suddenly saw a log across the track and at once a fusillade was fired into the train. The engineer did not stop but let the pilot throw the log from the track and put on full speed. The place where the attack was made was in a cut, the ground being on a level with the lower part of the windows. The assailants, from the rocks above, poured down a fire directly into the windows and at the engineer. Practically every window in the train was broken and shots struck all parts of the engine and cab. Eight negroes were arrested Sunday afternoon.

## GOOD CAUSE FOR WRATH.

Art Collector and Irritated Waiter Had the Same Feelings.

A Chicago art dealer was talking about the wrath of William T. Evans, the New York collector upon whom so many bogus paintings have been imposed.

"He's awfully angry," said the art dealer, repressing a smile. "Some of his costliest pictures, you know, have turned out fakes. His blood boils when he thinks of the way he has been duped."

"He told me the other day that he could hardly understand the rage that possessed him against every petty little insignificant dealer that had cheated him. He said it was like the rage of a waiter that he had noted one afternoon at luncheon."

"At luncheon, Mr. Evans said, he called his waiter's attention to a dead fly in some dish or other."

"The waiter, as he took the dish away, muttered with a malevolent look at the limp insect:

"I'd give a two-dollar bill if I knew for certain that this was the fly that's been buzzing about my nose all the morning."

## SHE COULD NOT WALK

For Months—Burning Humor on Ankles—Ointment Alone Brought Sleep—Eczema Yielded to Cuticura.

"I had eczema for over two years. I had two physicians, but they only gave me relief for a short time and I cannot enumerate the ointments and lotions I used to no purpose. My ankles were one mass of sores. The itching and burning were so intense that I could not sleep. I could not walk for nearly four months. One day my husband said I had better try the Cuticura Remedies. After using them three times I had the best night's rest in months unless I took an opiate. I used one set of Cuticura Soap, Ointment, and Pills, and my ankles healed in a short time. It is now a year since I used Cuticura, and there has been no return of the eczema. Mrs. David Brown, Locke, Ark., May 18 and July 13, 1907."
